

CHITOSAN PLUS GARCINIA

Fat Blocker & Fat Burner

Enhancing Life

ISO 9001:2015 Certified

An All – Natural Fat Burner

HEALTH BENEFITS*

Lowers cholesterol and triglyceride levels, Improves intestinal health, and Lowers uric acid in the blood.

MAIN PRODUCT FEATURES

Chitosan plus is unique fat-absorbing fiber derived from crab chitin. It binds to negatively charged fats during digestion and reduces their absorption. With Chitosan plus, lose those unwanted, unhealthy, POUNDS naturally and safely.

- **Chitosan** is a super fiber that functions like a magnet; hence it is now dubbed as the “fat magnet” , it attracts negatively charged food fat, cholesterol and bile molecules.
- **Garcinia cambogia:** The active component in this fruit is hydroxycitric acid or HCA has boosted fat-burning and cut back appetite in studies. It appears to block an enzyme called citrate lyase, which your body uses to make fat. It also raises levels of the brain chemical serotonin, which may make you feel less hungry.

KEY INGREDIENT(S)

Chitosan powder, Garcinia Cambogia Extract

SUGGESTED USE

Take 1 capsule two times daily with meals. Refrain from taking Chitosan 4 hours before or after the ingestion of fat soluble vitamins (A, D, E, and K) or any medications.

LIKELY USERS

People who want to control body fat & to increase their body lean mass.

OTHER IMPORTANT ISSUES

The effect of Chitosan on the excretion of fat is five to ten times greater than any other natural dietary fiber.

This product is calorie free and is therefore a very valuable dietary supplement for those who wish to improve their health and yet maintain a low-calorie and high-fiber diet.
