

CHITOSAN PLUS GARCINIATM

Fat Blocker & Fat Burner

An All – Natural Fiber Product

Chitosan helps to:

- Lower cholesterol and triglyceride levels.
- Improve intestinal health.
- Lowered uric acid in the blood.

LIKELY USERS:

People want to control body fat & to increase their body's lean mass.

KEY INGREDIENT(S):

- Chitosan powder
- Garcinia Cambogia Extract

MAIN PRODUCT FEATURES:

- Chitosan plus is unique fat-absorbing fiber derived from crab chitin. It binds to negatively charged fats during digestion and reduces their absorption.
- Chitosan is the super fiber that functions like a magnet; hence it is now dubbed as the “fat magnet.” What it does is to attract negatively charged food fat, cholesterol and bile molecules.
- With Chitosan plus, you are on your way to losing those unwanted, unhealthy, POUNDS naturally and safely.

OTHER IMPORTANT ISSUES:

Today, the effect of Chitosan on the excretion of fat is five to ten times greater than any other natural dietary fiber.

This product is calorie free and is therefore a very valuable dietary supplement for those who wish to improve their health and yet maintain a low-calorie and high-fiber diet.

SUGGESTED USE:

As a dietary supplement, take 1 capsule two times daily with meals. Refrain from taking Chitosan 4 hours before or after the ingestion of fat soluble vitamins (A, D, E, and K) or any medications.
