

Reishi[™]

Immune Support Formula

A No.1 herb of TCM

Reishi[™] helps to:

- Enhance the activity of antibodies*
- Detoxify the accumulated toxins*
- Improve the body's resistance to stress and infections*

• LIKELY USERS:

Everyone seeking a healthy immune system; People on low carb diets or non-whole grain diets that are lacking dietary beta-glucans.

• KEY INGREDIENT(S):

Ganoderma lucidium

• MAIN PRODUCT FEATURES:

- Reishi contains several major constituents, including sterols, coumarin, mannitol, polysaccharides, and triterpenoids called ganoderic acids.
- Ganoderic acids may lower blood pressure as well as decrease LDL ("bad") cholesterol.
- These specific triterpenoids also help reduce blood platelets from sticking together—an important factor in lowering the risk for coronary artery disease.

• OTHER IMPORTANT ISSUES:

- Ganoderma extract may help maintain normal cholesterol and triglyceride levels.
- Ganoderma support healthy energy levels throughout the day.
- Ganoderma Lucidium support healthy immunity.
- Alleviate symptoms associated with stress such as irritability and nervous tension.

• SUGGESTED USE:

One capsule three times daily before meals.
